SHERBROOKE'S SUPERB PEONIES

PRICE LIST — SEASON - 1929 - 30

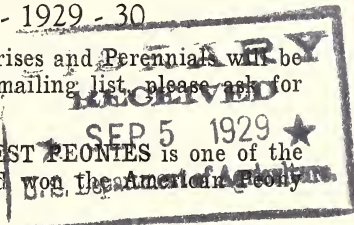

A new catalogue of Peonies, Roses, Irises and Perennials will be issued in September. If not already on my mailing list, please ask for a copy.

My collection of the WORLD'S FINEST PEONIES is one of the two most valuable collections in the west and won the American Peony Society's SILVER MEDAL in 1927.

Special quotations will be made on any sizeable selection.

These prices are for divisions with 3 to 5 eyes on well balanced roots and should bloom the first season after planting if planted in well prepared soil, not more than two inches deep and with good drainage and exposure not too close to hot walls or large shrubbery.
